For Both Girls and Boys

PG (Paying Guest Facilities)

This document is prepared only to help parents, students and friends of
LISAA School Of Design, Bangalore

and

CREO Valley School Of Film & Television, Bangalore

to find accommodations close to the School Campus. Please note that the School in no manner recommend or suggest any particular facility as compared to others. The readers are strongly suggested to make the decision considering their individual requirements. Our schools have more than 60% of students staying in PG facilities nearby with more than 10% of those being International Students.
